18 December 2011

Dear Blyth Running Club,

May I take this opportunity to express my sincere gratitude with regard to the organisation of the North Eastern Cross Country Championships held on Saturday 10 December 2011.

The high expectations of all involved all served to add to the excitement generated from a well-planned and organised event.

Feedback from both athletes and spectators drew attention to the challenging and exciting nature of the course and the professionalism and good humour of Blyth Running Club organisers and marshals.

Finally, thanks again for a marvellous event and for realising the dreams, ambitions and hopes of our region's athletes.

Wishing you a Merry Christmas and a prosperous New Year.

Yours sincerely
