

Blyth Sportshall Athletics Series - Report

Yesterday morning #TeamBlyth enjoyed a wonderful morning of competition at the Blyth Sportshall Athletics Series. An incredible 22 Blyth juniors took part, which was surely one of our biggest ever attendances at any open competition in the clubs history. Not only did we have many competing, but we also had several older juniors volunteering and making the day possible. To top things off, Sprint hurdler Jason Nicholson who is ranked #5 in the world was present to give support to the athletes and give out awards.
